Builder's Risk Insurance Coverage Highlights

- Property coverage for projects under construction, renovation or repair
- Project materials in transit to site
- Equipment breakdown, including testing & commissioning
- Project-specific builder's risk or blanket including soft costs and delay in start-up
- Wrap up coverage
- Third party liability

We're insurance brokers. We work for you, our client and not the insurance company.

We have access to over 15 top Canadian insurers specializing in commercial insurance in addition to multiple niche insurers and are able to negotiate the best coverage to fit your unique business needs at a competitive rate. Our extensive knowledge of commercial products permits us to function as a partner in the success of our clients' businesses, advising them on new exposures and the best approach to mitigating risk.

In-House Claims Department

In addition to having our team of experts providing you with their professional guidance, our dedicated 24/7 claims department is here to take care of your needs, offer a single point of contact, faster turnaround and better claims resolution.

Safeguard your construction business.
